Amendment of 73.202 (b))	MM Docket No. 01-271
Table of Allotments)	RM-10278
FM Broadcast Stations)	
(Post, Roaring Springs and)	
O'Donnell, Texas))	

To: Chief, Allocations Branch
Mass Media Bureau

COUNTERPROPOSAL

I, Maurice Salsa, hereby submit this counterproposal requesting that the Commission amend Section 73.202(b) of its Rules, FM Table of Allotments, to allot FM Channel 249A to O'Donnell, Texas and FM Channel 249A to Roaring Springs, Texas, in lieu of Channel 249C2 to Post, Texas as proposed in the Notice of proposed Rule Making in the above-captioned proceeding. I propose to amend Section 73.202(b) as follows:

<u>City</u>	<u>Channel Number Present</u>	<u>Channel Number Proposed</u>
O'Donnell, Texas	-----	249A
Roaring Springs, Texas	-----	249A

If the requested allotments are made, I will apply for construction permits for new FM stations on Channel 249A at O'Donnell, Texas and Roaring Springs, Texas. And if I am granted one or both construction permits I will promptly construct and operate these stations in O'Donnell and Roaring Springs, Texas.

As shown in the attached Engineering Exhibit 1, the allotment of Channel 249A at O'Donnell can be accomplished at the reference co-ordinates: (32-55-32N 101-40-59W). And as shown in the attached Engineering Exhibit 2, the allotment of Channel 249A at Roaring Springs can be accomplished at the reference co-ordinates: (33-57-42N 100-42-53W).

O'Donnell is an incorporated community of 1,155 people as of January 1, 1998 according to the Texas State Data Center. O'Donnell has its own mayor, James Williams, its own post office, its own fire department, its own school district, its own city hall and a number of local churches. The allotment of Channel 249A will provide O'Donnell with its first local aural service and an essential outlet for local expression. Accordingly, the allotment will serve the public interest.

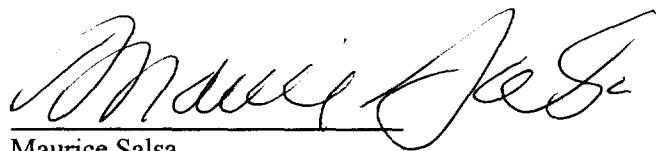

Roaring Springs is an incorporated community of 213 people as of January 1, 1998 according to the Texas State Data Center. Roaring springs has its own mayor, Joe Thacker, Jr. its own post office, its own volunteer fire department and its own city hall. The allotment of Channel 249A will provide Roaring Springs with its first local aural service and an essential outlet for local expression. Accordingly, the allotment will serve the public interest.

Wherefore, for the foregoing reasons, the Commission should amend 73.202(b) of its rules to allot Channel 249A to O'Donnell and Channel 249A to Roaring Springs, Texas.

The information provided in this Counterproposal is correct and true to the best of my knowledge.

Respectfully submitted,

By:

Maurice Salsa
